The National Franchise Show

LEADTRACKER

NEW LEAD RETRIEVAL SYSTEM FOR EXHIBITORS

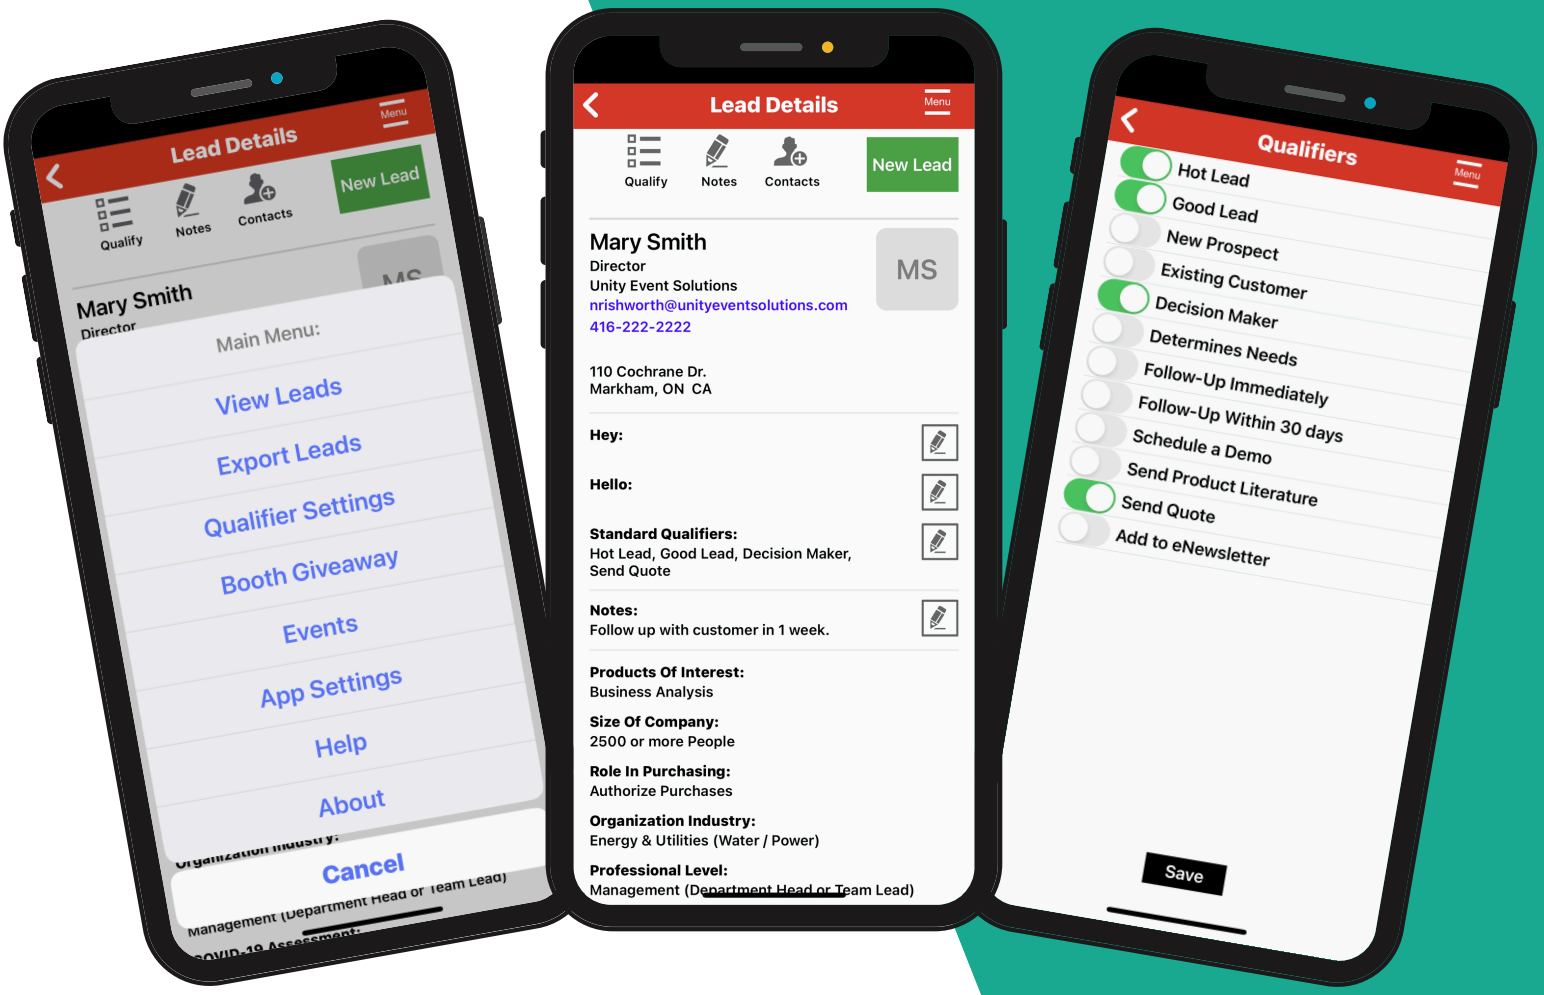
Show Leads

A new seamless APP, by myShowLeads, for exhibitors to capture information on who they spoke to, make notes, add qualifiers, quickly follow up, and increase your ROI!

Scan To Order

Capture, Qualify, View & Export your leads with a simple scan!

Includes 4 staff device activations
(any 4 phones or tablets)
Option to buy additional device activations

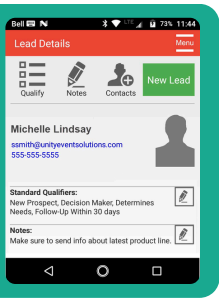


GET IT ON Google Play

Download on the App Store

How Does it Work?

Attendees wear a badge with a personal QR code. Scan the QR code with the APP to view their contact info, add notes, qualify and export leads.



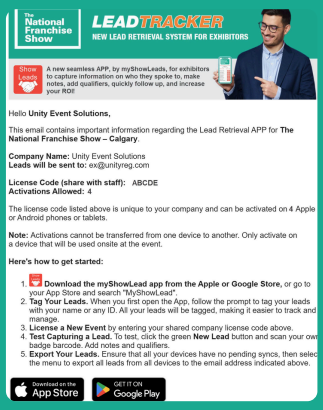
1 Order a License

$135 for 4 staff devices

$50 per 2 extra devices

Scan the QR Code, select an event/city and order.

2 Receive License Code



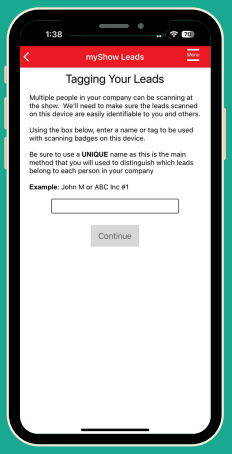
Once ordered, you will receive an email with a License Code that you can share with your staff.

3 Download the myShowLead APP

Download on the App Store

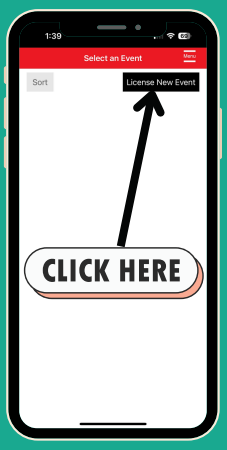
GET IT ON Google Play

4 Tag Leads



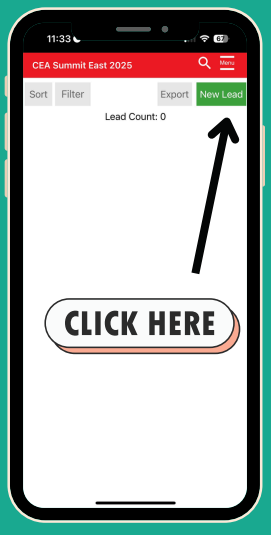
Enter your personal name to tag each lead you scan.

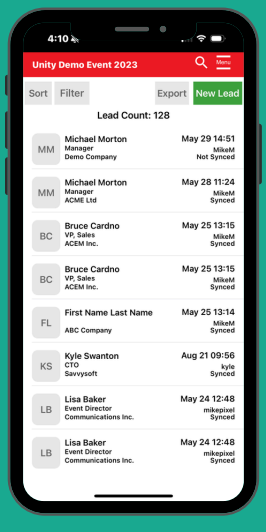
5 License Event



Enter your shared company license code.

6 Capture / Export Leads





Tap the green 'New Lead' button and Scan the badge QR code.

Leads from all staff will sync to all devices.

To Export leads, go to the top menu and click on export leads.
