

Vendor & Exhibitor Load In Guide

Please use **99 West Exchange Street** as the address to access the back dock. When you come off the highway, follow the road down. You will see an entrance to the dock just before or after the stop light. Anyone unloading a vehicle *must be approved by the show contact prior to unloading.*

1. Main Entrance to the loading dock. Larger trucks may have to back up the dock.
2. The Entrance to the North Garage is at 99 West Exchange Street.
3. If you have reserved parking meters for over-sized vehicles, please contact your show manager.
4. Main dock loading area. This leads directly into the Exhibit Halls, or to the Freight Elevator to access other levels.
5. Lettered loading areas for large trucks.
6. Additional loading area.
