HOW TO RECORD LEADS

You will be sent a **USER NAME** and **PASSWORD** 3 days prior to the show **FROM** Event Technologies (support@eshowmail.com)

Using any internet/data enabled device:

- ▶ Go to www.eshowleads.com
- ▶ Enter your **LOGIN** and **PASSWORD**
- ▶ Simply key in the first 3 letters of the attendees last name and the first letter of the attendees first name
- ▶ The attendee's first name, last name, email address, and phone number will populate in the application
- ▶ You have the option to add notes from your conversation and answer qualifying questions
- ▶ Hit Save
- ▶ Your leads can be accessed at any time and will also be emailed to you after the show
- ▶ Exhibitors must follow Privacy Laws: You are only authorized to add leads to your list when a prospect provides you with their name, and have requested info. Violators of this law will not be allowed to exhibit or use the Lead Retrieval system in future.
