LABOR JURISDICTION GUIDELINES

The Franchise Show
Denver
November 4 - 5, 2023
Colorado Convention Center
Denver, CO

Coast to Coast Trade Show Services, Inc. is certain you will appreciate knowing prior to your arrival that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdictions of various unions throughout the nation, we ask that you read the following information.

GRATUITIES ARE PROHIBITED, IN ANY FORM, INCLUDING CASH, AND GIFTS.

INSTALLATION AND DISMANTLE LABOR

Coast to Coast TSS, Inc. will provide the proper union personnel to perform labor for the installation and dismantling of your exhibit. Full-time, bona-fide employees of the exhibiting company, which are properly badged by show management, may set their own exhibits without union assistance. Any additional labor needed beyond this must be performed by union personnel. Display labor may be ordered in advance by returning the Display Labor Order Form enclosed or at the Coast to Coast TSS, Inc. Service Desk at the exhibit site.

MATERIAL HANDLING LABOR

Coast to Coast TSS, Inc. will provide the proper union personnel, as needed, for the handling of all materials within the convention facility. Union personnel will unload all trucks or vehicles, deliver materials to your booth and remove and reload materials at the close of the show.

EXHIBITOR OWNED VEHICLE- PERSONALLY OWNED VEHICLE (POV)

Exhibitors and show organizers may handle their own material if it can be carried in within 15 minutes without the use of dollies other than small two wheeled dollies such as airport luggage dollies. Exhibitors may not borrow, rent or bring onto the exhibit floor, hand carts, flat trucks, pallet jacks or other material handling equipment. Any items that cannot be carried in must be handled by the Official Service Contractor.

To ensure orderly and safe move-in and move-out, all docks and vehicle traffic is under the exclusive control of the Official Services Contractor. As conditions and time permits, space may be made available to exhibitor owned vehicles to load and unload. One person must remain with the vehicle at all times. Due to time constraints, vehicles must be loaded or unloaded within 15 minutes. A timed dock pass will be issued. Unattended vehicles will be towed at the owners expense. The above will be strictly enforced.

UTILITIES LABOR

All connections, wiring, laying of cables, assembly and attachment to facility services are handled exclusively by union personnel or facility employees. Utilities labor and services may be ordered on forms enclosed or from the facility. Exhibitors may do technical adjustments, programming and cleaning once the initial connections are made.

Any questions regarding union jurisdictions or individual laborers should be directed to Coast to Coast TSS, Inc. Please refrain from voicing any concerns or complaints directly to union personnel. Should any union personnel raise any issues or concerns, please inform the onsite Coast to Coast TSS, Inc. personnel.

All work orders should be carefully reviewed and signed by company personnel, as no adjustments will be permitted after the closing of the event. Please direct any questions directly to Coast to Coast TSS, Inc. personnel.
